Web Development and Digital Administration Expert:

Name : Ms. Amana Samsudeen

This is to certify that Ms. Amana Samsudeen has served as a Pro Bono Web Development and Digital Administration Expert for the International Foundation for Digital Citizenship (IFDC) in support of the National Online Child Protection Advocates Program (2025–2026).

During this period, she voluntarily provided technical support in web development and digital administration. Her responsibilities included managing and maintaining digital platforms, supporting website functionality, assisting with online communication systems, and ensuring smooth digital operations.

Her technical skills and dedication helped strengthen the organization's digital presence and support the effective implementation of program activities.

Her voluntary service and valuable contributions are greatly appreciated.

We wish her continued success in her future endeavors.

For any additional information or clarification, please feel free to contact us.

A handwritten signature in blue ink, appearing to read 'Randi Ushara', is positioned to the left of the official stamp.

Randi Ushara
Director, Program
